FOI REQUEST NUMBER 07 2015

Request:

Would you please let me have a copy of the most recent CQC Report. Also a copy of the Trust's subsequent Action Plan to meet the CQC's requirements.

Response:

In terms of the Care Quality Commission (CQC) Report I have located this on the CQC Website <http://www.cqc.org.uk/provider/RMY/reports> therefore under Section 21 of the Freedom of Information Act the Trust is not required to provide the information if it is already reasonably accessible.

The Trust is waiting to receive a finalised report from the CQC. Any further reports from the CQC will be published by them and accessible on their website as the above report is. Under Section 22 of the Freedom of Information Act the Trust is not required to provide information that is intended for future publication.

The Trust has yet to complete the Action Plan as we cannot do so without seeing the finalised CQC Report, once this has been completed with will be published.

The Trust provides a complaints procedure to deal with complaints about the Trust's handling of requests for information. If you feel you need to make a complaint, in the first instance, you should contact a Non-Executive Director via the Chair of the Trust. If you feel you have exhausted our internal complaints procedure, you also have the right and may feel you wish to write to the Information Commissioner who can be contacted on telephone number 01625 545740 or at www.ico.gov.uk.
