## FOI REQUEST NUMBER 119-2015

**Request:**

I was wondering if I could request the structure chart for the IT department across the NSFT?

**Response:**

The ICT Department are currently part of the Corporate Services Structure Review, therefore I am unable to supply you with the Organisation Chart as this has yet to be finalised.

Once I have received confirmation that this review has been completed I will send you over the new chart. Therefore, I have closed the request under the FOI Act as we do not currently hold the information as the charts have yet to be finalised.
