## FOI REQUEST NUMBER 122 2015

**Request:**

For a list of controlled drugs that have been reported lost/stolen from your NHS Trust between January 2010 and April 28 2015. Please provide the answers in an excel spreadsheet with the following headings: date, hospital/locations where the drug was stolen/lost, whether the drug was recovered/found, the name of the controlled drug, the approximate value.

Controlled medicine or drug is as defined within Misuse of Drugs legislation. The following link may assist: <http://www.nhs.uk/chq/Pages/1391.aspx?CategoryID=73>

**Response:**

Thank you for your recent request under the Freedom of Information Act.

Can you please confirm which Schedule of Controlled Drugs you wish to request the information in relation Schedule 1,2,3,4 or 5?

Please note that we would be unable to provide you with information prior to 1<sup>st</sup> January 2012 as this was when the Norfolk and Suffolk NHS Foundation Trust was formed. It would take in excess of the 18 hours appropriate time limit set out under the Freedom of Information to locate and collate historic information. Please note that we do not record information relating to drug values so we would be unable to provide this in our response.

I will place the request on hold until I receive confirmation from you in relation to which schedule you are enquiring about.
