FOI REQUEST NUMBER 123 2015

Request:

Can you please inform me, under the Freedom of Information Act:

1. How many staff your trust employs to carry out communications - i.e. public and media relations, PR, press office, marketing - work? Please provide a breakdown of job titles.
2. How many investigations your trust has conducted into suspected leaks of information to the media (newspapers, broadcasters, websites, etc. for news stories) between 1 January 2010 and today's date (7 May 2015). Please break down the information into years and provide details of the suspected leak - when it occurred, how it was investigated, which media outlet the information appeared in, whether the investigation was successful and what the outcome was (i.e. was anybody disciplined?) Please state whether police were involved in the leak investigation.

Response:

I confirm that we have received two FOI request from you for the same information, but for a different time period.

The first email was for the period 1 January 2010 to 24th April 2015 and the second email was for the period 1 January 2010 to 7th May 2015.

Can you please confirm which email you wish us to process under the Freedom of Information Act?

I will place the requests on hold until clarification is provided.
