FOI REQUEST NUMBER 151 2015

Request:

I would be grateful if you would provide me with the following pieces of information:

The total number of people (i.e. not individual contacts or episodes of care) using your trust's NHS-funded secondary care mental health services, who were:

- a. Aged 1-64 years
- b. Aged 65+ years
- c. Male
- d. Female
- e. Any other specified gender

Answers can be provided as raw numbers and/or as a percentage.

Could you please provide this information for the financial years 1996/7 to 2012/14? In the event that this is not possible due to the financial constraints of FOI requests, could you please just provide this for 2011/12 or for as many years as is possible. The number of over 65's in services is increasing every year in England, but this will vary by geography, and so it would be helpful to have data for as many years as possible.

In producing the answer for this FOI request it may be helpful to note that this data is already collected quarterly by the Health & Social Care Information Centre (HSCIC) from every NHS Mental Health Trust in England, they in turn produce a Mental Health and Learning Disabilities Statistics report each year (<http://www.hscic.gov.uk/mhldsreports>). These reports detail statistics compiled by financial, rather than calendar year. It may be possible for the relevant hospital department to extract the answers to this FOI request from the information that was previously submitted to the HSCIC.

For information I have provided the total number of people using NHS secondary care services in your trust over the last 3 financial years (as per the HSCIC website). It is the <64/65+ years, and M/F/O breakdown of these (plus the years going back to 1996/7) which I am seeking. Other summaries of submitted data from previous years are available here: <http://www.hscic.gov.uk/searchcatalogue?productid=13419&q=title%3a%22mental+health+bulletin%22&sort=Most+recent&size=10&page=1#top> in the document "Organisational reference tables" (table

1a).

Mental health provider	2011/12	2012/13	2013/14
NORFOLK AND SUFFOLK NHS FOUNDATION TRUST	24,666	27,382	46,620

Please let me know if you need any further information in actioning this request, and thank you very much in advance.

As I no longer need this information, therefore please disregard my FOI request.
