Response:

Unfortunately the information requested under questions 1 – 5 is not held in the level of detail requested; to locate and collate this information would be over the 18 hours appropriate time limit set under the Freedom of Information Act. I confirm that all food purchases are made to provide to service users.

The value relating to food falls beneath the procurement tender threshold. However, I can confirm the current costs broken down by supplier for food purchases since January 2014 to date. (*See below*)
