## FOI REQUEST NUMBER 205 2015

**Request:**

would be grateful if you could send me an up to date list of Hospital Consultants, by name and department, working within your trust. I have searched your website and cannot seem to find the most current information I am looking for.

Alternatively, please direct me to your online Consultant listing, but please can you confirm that this information is updated regularly?

I look forward to hearing from you in email form and thank you, in advance, for your assistance.

**Response:**

Thank you for your recent request under the Freedom of Information Act. Please find attached a list of the Trust's Consultants, broken down by specialisms. Please note some Consultants are responsible for more than one specialism so they will be on the list twice.

The Trust provides a complaints procedure to deal with complaints about the Trust's handling of requests for information. If you feel you need to make a complaint, in the first instance, you should contact a Non-Executive Director via the Chair of the Trust. If you feel you have exhausted our internal complaints procedure, you also have the right and may feel you wish to write to the Information Commissioner who can be contacted on telephone number 01625 545740 or at [www.ico.gov.uk](http://www.ico.gov.uk).
