FOI REQUEST NUMBER 238-2015

Request:

Please send us:

- a) The communications received by the Lorenzo team from users since implementation of Lorenzo at NSFT;
- b) The outstanding bugs/issues log and current status.

Response:

- a) I can confirm that the Department holds information falling within the description specified in your request. However, we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations and for central public authorities it is set at £450. This represents the estimated costs of one person spending 3 ½ working days in determining whether the Department holds the information, and locating, retrieving and extracting the information. Under Section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.

If you were to make a new request for a narrower category of information, it may be that we could comply with that request within the appropriate limit, although I cannot guarantee that this will be the case.

- b) A Report will soon be discussed at the Lorenzo Programme Board and subsequently at the Public Board of Directors. Under the Freedom of Information Act we are not required to provide information that is intended for future publication (Exemption 22).
