Request & Response

As part of a research project on the digitisation of Medical records and in particular the progress made on this subject could you please advise:

1. What solution do you currently use for digitalising medical records e.g. Internal/External?
 - **We have been using WinDIP Enterprise scanning solution for approximately 10 years to digitise paper records.**
2. If this is an external scanning solution, who is the primary supplier?
 - **Civica**
3. Do you have an internal scanning solution in place?, what is the primary model of scanner used in the digitisation process?
 - **Yes – Fujitsu Fi-6670**
4. Where any EDMS or content management solution is used to manage the scanned images, please advise what that solution is?
 - **WinDIP Enterprise**
5. Was the purchase value over the OJEU threshold, if yes...What was the value of the contract?
 - **No**
6. What year was the contract awarded?
 - **2005 – awarded to Gateway Services who were taken over by Civica**
7. What portal/framework was used to advertise the contract?
 - **Unknown**
