## FOI REQUEST NUMBER 68 2015

**Request:**

Could you please provide all information pertaining to:

The number of the Trust's Staff Nurses that retired during 2014 and the number that are due to retire in 2015.

**Response:**

The Trust had 35 nurses retire which is 31.85 work time equivalents during 2014. If the request relates specifically to the role of Staff Nurses then we only had 7 Staff Nurses retire in 2014 which is 6.80 work time equivalents.

Unfortunately the Trust are unable to stipulate on who would be retiring this year as there is no longer a mandatory retirement age and staff can retire when they would like to, whether that be earlier than the national retirement age (providing they have the relevant NHS service) or after.
