FOI REQUEST NUMBER 74-2015

Request:

1. How many full-time equivalent specialist nurses for a) Motor Neurone Disease and b) all neurological conditions were employed in your Trust in each of the last 5 years and how many are employed at the time you respond to this request?
2. How many patients diagnosed with a) Motor Neuron Disease, b) Multiple Sclerosis and c) Parkinson's Disease received support from a specialist nurse in your Trust in each of the last 5 years (including this year to date)?
3. How much did your Trust spend on employing specialist nurses for neurological conditions in each of the last 5 years, and how much are you planning to spend on it in 2015/16?

Response:

I confirm that Norfolk and Suffolk NHS Foundation Trust is a mental health trust, therefore we do not deal with the various conditions such as Multiple Sclerosis, Parkinson or Motor Neuron Disease.

Therefore I would suggest that your request would be better dealt with by the Acute NHS Trusts.
