FOI REQUEST NUMBER 82-2015

Request:

Under the Freedom of Information Act 2000, [in the event that you have an obligation to provide s.117 aftercare services], please could I have the total number of service users that the Trust [in conjunction with Local Authority] has discharged from those s.117 Aftercare Services.

Response:

I can confirm that the Trust does not hold Section 117 data. It is recorded at the time, but following discharge the data is removed from the spreadsheet. Information is recorded onto an individuals' health record but to locate and search all health records held by the Trust would be over the 18 hours appropriate time limit set out under the Freedom of Information Act.
